Information Sheet

The Institute of Certified Forensic Accountants is a professional body for those committed to the development of the multidisciplinary profession of forensic accounting. Its mission is to develop and promote the profession of forensic accountancy to the public and to those people involved in providing forensic advice and guidance to their clients.

The Institute offers an educational program leading to the designation of *Certified Professional Forensic Accountant (CPFA)* issued to qualified graduates.

The Institute of Certified Forensic Accountants is a not-for-profit professional body chartered under Letters of Patent granted by the Federal Government of Canada. The Institute is also registered under the Laws of the State of Delaware, USA.

The Institute aims to ensure its members provide competent, ethical and objective financial advice. This is to the advantage of clients and employers, the profession and individual members of the Institute.

Our Mission

The mission of The Institute of Certified Forensic Accountants is to provide education and certification for forensic accountants so that members qualified to use the designation *Certified Professional Forensic Accountant (CPFA)* are recognized internationally as trusted, professional forensic advisors.
